

Information regarding Miss Richmond and Court's Attire

Good Old Days Festival will be purchasing your Evening Gown, Sundress, Shirts and Hoodies that are to be worn at all parades and events that pertain to your reign. In doing so Good Old Days Festival holds the right to choose the attire that you will be wearing to best represent the Festival and City at all events.

The following costs are your responsibility: Alterations, dry cleaning, undergarments, jewelry, and gloves. Any jewelry that you choose to wear must be in good taste, conform to the look of the gown, and have the approval of the Festival Board.

We will complete measurements at rehearsal and have the initial presentation of the gowns asap following the pageant so the gowns can be ordered and be in on time for the first parade. We will schedule an appointment day and time that works with everyone. Miss Richmond will chose the option of two dress options and their coordinating court member dresses for the entire court.

For all fittings **you must** bring any undergarments and shoes that you will be wearing.
