

## **The Richmond Area Good Old Days Festival: Miss Richmond Pageant “A Richmond Tradition”**

Mission Statement: *To empower young women of the Richmond Community to represent our town with their intelligence, grace and talents.*

The Miss Richmond Pageant has for many decades, maintained a tradition of empowering area young women to achieve their personal goals while providing a forum in which they can express their positive opinions, talents, and intelligence. It is located in Richmond, Michigan since 1964 and is presented by the Richmond Area Good Old Days Festival who provides monetary scholarships to deserving young women.

The pageant is a one night of competition and is held in mid-March at Maniaci’s Banquet Center. The public is welcome and encouraged to come and enjoy the talents of the contestants who compete for the title of Miss Richmond.

The contestants compete in the areas of a private interview, on stage question, stage presence, personality, and overall confidence. Contestants are evaluated individually in these areas by a panel of out-of-town judges who obtain an overall score determining the top three contestants and ultimately the one who will be crowned Miss Richmond.

The crowned Miss Richmond and her court attend many different platforms representing our town and festival. Parades, city events, local schools and so much more throughout their year of reign.

**Applications are arrival for pick up at the Lois Wagner Memorial Library, Rix’s Shop and our website [www.richmondgoodolddaysfestival.com](http://www.richmondgoodolddaysfestival.com)**
